Presley and NT Spark Announce 2,000 Broadband Customer Milestone

Houston, Mississippi (March 10, 2022) – Today, Northern District Public Service Commissioner Brandon Presley joined Natchez Trace Electric Power Association and NT Spark representatives and local officials to celebrate NT Spark connecting 2,000 customers to high-speed internet service. Commissioner Presley worked to secure over \$14,600,000 in state and federal funds to bring high-speed internet service to portions of Calhoun, Chickasaw, Clay, Grenada, Pontotoc, Webster, and Yalobusha counties.

“I’m proud to join Natchez Trace Electric as they celebrate their 2,000th NT Spark broadband customer. This is another milestone in our journey that will not end until every rural, dirt road home has access to world-class internet services,” Presley said.

Residents who would like to sign up for service with NT Spark or inquire about service availability at their address should call (662) 456-3037 or visit <https://ntspark.coop/about/fiber-availability/>

If you have questions about your internet service options or availability, please contact Commissioner Presley’s office at 1 (800) 637-7722.
