## Presley, Atmos Energy Hold Natural Gas Ribbon Cutting in Tunica County

Tunica, Mississippi (July 7, 2022) – Today, Northern District Public Service Commissioner Brandon Presley joined Atmos Energy Corporation representatives, Tunica County officials, and legislators for a natural gas ribbon cutting ceremony in western Tunica County.

Atmos’s Prichard Road rural expansion project will install under 20,000 feet of gas lines to connect natural gas to approximately 57 residents and businesses at a cost of nearly \$700,000 with the county investing \$125,000.

“The Public Service Commission is committed to working with utilities like Atmos Energy to bring natural gas service to rural areas of Mississippi,” said Commissioner Presley. “This project will not only help spur economic development but improve quality of life for residents in Tunica County.”
