IN RE: ENTERGY MISSISSIPPI, LLC'S NOTICE  
OF INITIAL PUBLIC WORKSHOP  
PURSUANT TO COMMISSION RULE 29

NOTICE OF INITIAL PUBLIC WORKSHOP

Entergy Mississippi, LLC (“Entergy Mississippi”, “EML,” or the “Company”) files its Notice of Initial Public Workshop (“Workshop”) pursuant to Rule 29 of the Mississippi Public Service Commission and Public Utilities Staff’s Public Utilities Rules of Practice and Procedure (“Procedural Rules” “Rules” or “RP”). Within this Notice, EML submits the day and time of its Workshop, to be held in the Commission’s hearing room in Jackson, Mississippi as prescribed in Rule 29.

1. On November 22, 2019, the Mississippi Public Service Commission (“Commission”) issued its Final Order Amending Rule 29 of its Procedural Rules, approving an Integrated Resource Planning and Reporting Rule (“IRP Rule” or “Rule 29”). The IRP Rule establishes resource planning reporting requirements and deadlines for electric utilities like Entergy Mississippi. The issuance of the Final Order triggered the provisions of Rule 29.105.2, requiring each electric utility subject to Rule 29 to “notice and conduct an initial public workshop for interested parties” within 30 days of filing its Notice of IRP Cycle.

2. On May 12, 2023, EML filed its Notice of IRP Cycle (“Notice”). In the Notice, EML requested that the Commission approve a modified schedule, including that EML conduct its public workshop no later than August 15, 2023.

3. On June 26, 2023, the Commission granted EML's request for an extension of time, approving a modified schedule. Among other schedule modifications, the Commission ordered EML to hold its public workshop no later than August 15, 2023.

4. The Company proposes to conduct its Initial Public Workshop on Wednesday, August 9, 2023, between the hours of 9:00am and 12:00pm. This Workshop will be conducted in the Commission's hearing room on the first floor of the Woolfolk State Office Building, located at 501 N. West Street, Jackson, Mississippi 39201.

5. During the workshop's live stream, questions may be submitted to the email listed below:

[EntergyMississippiCommunications@entergy.com](mailto:EntergyMississippiCommunications@entergy.com)

6. For the reasons stated above, EML requests that the Commission, acting through its Executive Secretary, post the day and time noticed by EML to conduct its Initial Public Workshop as prescribed in Rule 29.105.2.

This the 7<sup>th</sup> day of July 2023.
