## AMAZON WEB SERVICES GROUND BREAKING

Public Service Commissioner De'Keither Stamps attended the groundbreaking ceremony for Amazon Web Services (AWS) in the state, a landmark event for Mississippi's economic and technological development. The event, held on May 20, marked the beginning of construction for a new AWS data center, expected to boost the region's infrastructure and economy significantly.

## CONNECT WITH US

# WHAT'S THE COMMISSIONER UP TO?

## MISSISSIPPI RURAL WATER ASSOCIATION CONFERENCE

Commissioner Stamps recently attended the Mississippi Rural Water Association (MsRWA) Conference, highlighting his commitment to addressing the water and utility needs of rural communities across the state.

Want to learn more about Rural Water Associations? Check out this reel on our Facebook Page: [Check it out!](#)

## WORLD CONFERENCE OF MAYORS

Commissioner Stamps recently spoke at the World Conference of Mayors in Canada, demonstrating the Commissioner's active involvement in international forums. Learn more about this event here: [Click to learn more.](#)

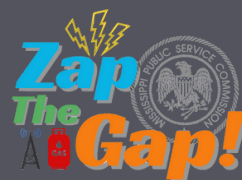

## MISSISSIPPI POWER STORM CENTER TOUR

Commissioner Stamps recently toured Mississippi Power's state-of-the-art storm shelter, underscoring his commitment to emergency preparedness and the safety of Mississippi residents. Click here to see more: [Here](#)

Commissioner Stamps is seeking input from Central Mississippi residents about essential services like broadband, cell phone towers, and natural gas. The PSC relies on community feedback from town halls and Zap the Gap surveys to shape their efforts in improving connectivity. Call us if you would like to host a meeting and share your needs.

Not sure what Zap the Gap is?
