**FOR IMMEDIATE RELEASE:**

## Mississippi Public Service Commissioners Tackle Natural Gas at Upcoming Summit

**JACKSON, MS (January 13, 2025)**— The Mississippi Public Service Commissioners are excited to announce the upcoming Natural Gas Summit scheduled for Tuesday, January 28, 2025, from 9:00 a.m. to 3:00 p.m. at the MPSC Courtroom in the historic Woolfolk Building in Jackson. The Natural Gas Summit is a component of the Commission’s Gas Safety Campaign [launched](#) in December.

The Commissioners invite all interested parties to this free educational summit bringing together regulatory leaders and stakeholders for a more comprehensive understanding of the current state of natural gas in Mississippi.

“Natural gas is a key player in powering Mississippi,” stated the Commissioners. “From heating our homes to fueling industries, it's an essential resource that supports jobs and the economy. This summit represents an important opportunity for us to come together as a state to address the challenges and opportunities facing the natural gas sector in Mississippi to ensure our energy resources are utilized effectively and responsibly.”
