## **MISSISSIPPI PUBLIC SERVICE COMMISSION SETS DATE FOR SHOW-CAUSE HEARING IN HOLLY SPRINGS UTILITY DEPARTMENT INVESTIGATION**

**Jackson, MS (August 5, 2025)**— Today the Mississippi Public Service Commissioners voted unanimously to schedule a show-cause hearing for 9 a.m. on September 4th at the New Albany Municipal Court. At the hearing, HSUD will be called upon to answer to the findings of the Silverpoint Consulting [report](#) which was filed with the Commission early last week.

The Commissioners have expressed their commitment to finding a long-term, transparent solution for the community served by HSUD stating, "We strongly encourage public participation in the upcoming show-cause hearing, emphasizing that this is more than a procedural requirement—it is critical for HSUD to address the issues raised in the report and to clarify its actions. By working together, we can ensure that the outcome serves the best interests of the people who rely on HSUD services."

Chris Brown, Chairman of the Mississippi Public Service Commission and Commissioner for the Northern District which encompasses HSUD, stated, "This show-cause hearing is the crucial next step to bringing about a solution to a crisis which has been decades in the making. We remain committed to bringing relief to the people of HSUD."
