<b>Coast Waterworks</b> (Name of Utility Organization or Other Service Agency)	<b>SERVICE EXTENSION POLICY</b>
<b>Certificated Services Areas in Counties Harrison and Jackson</b> (Rate Area to Which Rate is Applicable)	SHEET <b>1</b> of <b>2</b> SHEETS

**A. APPLICATION OF POLICY**

The service extension policy of Coast Waterworks, Inc. shall apply to those cases where the service in question is not readily available from a point on the existing system without a system extension and/or where the quantities are beyond the ability of the system to accept at the point where the service is requested.

**B. APPLICATION FOR SERVICE**

In such instances the prospective customer shall clearly state the type water and/or sewer service desired, and shall clearly define the point at which service is desired in a written application for service.

**C. ESTIMATE OF COST AND AVAILABILITY OF SERVICE**

Coast Waterworks, Inc. will estimate or cause to be estimated the cost of providing the service requested at the point indicated in order to evaluate properly the factors influencing the extension of such service and where economic feasibility exists. Included in the cost estimate will be any income tax liability created by such extension based on the utility's prior year's tax liability.

**D. MAIN EXTENSIONS**

The extension of service in or surrounding the certificated area to subdivisions, housing projects, commercial developments will be handled on a non-refundable contribution-in-aid-of-construction basis. Such extension shall be made by or under the supervision of Coast Waterworks, Inc. Coast Waterworks, Inc. will own and maintain the lines and service installed under such contribution, and the service will be rendered according to the Service Rules and regulations of Coast Waterworks, Inc., and any special arrangements with such customer, which arrangements have approval of appropriate regulatory authorities. Customer will be responsible for any income tax liability created by such contribution.
